ABOUT US

COSMIC PEST CONTROL

**PEST CONTROL SERVICE
WITHOUT ANY
HEALTH HAZARD OR
ENVIRONMENT POLLUTION**

COSMIC employs Integrated Pest Management (IPM) approach to pest management. IPM is a process for achieving long-term, environmentally sound pest suppression through the use of a variety of management practices. **COSMIC** identified the causes of pest problems, which controls costs and minimizes material use. Our technicians are professionally trained to international standards and perform their duties with upmost integrity providing expert home pest control services and advice on pest management. We have a reputation of solving pest problems while maintaining a Safe and Clean Environment for Effective Pest Solutions.

Based on our experience, we believe with our expertise at **COSMIC** we can help with effective pest management/control.

A **Mission**

Our Mission is to provide Quality Pest Control at an affordable rate in the quickest possible time.

B **Vision**

Our vision is to be one of the most respectable Pest Control service provider in bangladesh.

C **Speciality**

We use WHO approved medicines that are non toxic and non hazardous for human health.

Our Pest Control Administrator has been trained in BPCA, London.

British Pest Control Association (BPCA) is the UK's leading trade association for pest control. They provide support and a voice within the sector to over 700 member companies and 3,000 affiliates.
